Dear Sirs,

at the first week of September every year we arrange the Conferences that concern all questions about designing, manufacturing and constructing the Multisided Poles for Overhead Lines and Connection Networks. In this year will be the Fifth Conference. As usually in Crimea, Ukraine at the Black Sea coast in hotel & resort "Energetic". In our conferences take a part a specialists and managers (usually about 70 - 80 persons) of different companies (designing, manufacturing and constructing) from Ukraine, Russia, Belarus, Poland, Czechia, Iceland and other countries.

We would like with pleasure to invite you to participate in our Conference in this year.

The total participation cost is \$ 699,- a person. The total participation cost is including:

- all documents of Conference;
- the hotel room from 31.08.2010 to 03.09.2010 (including breakfast);
- dinner and supper at 01.09.2010;
- closing banquet at 02.09.2010;
- coffee break between meetings;
- transfer from aeroport to hotel and back (exclusively with pre-ordering).

The official language of conferences is Russian but we have translators. All information about past conferences is had at our Site: [www.energobud.com.ua](http://www.energobud.com.ua).

If you would like to make report or presentation you can send to us the text and pictures of your report not later 15 of July 2010 (text - \*.doc or \*.txt; pictures - \*.jpg or \*.tif with necessary resolution).

**Welcome to the Conference.**

If you require more information, please do not hesitate to contact us by e-mail: [Sconf-MSP@i.ua](mailto:Sconf-MSP@i.ua).

*Additional information (about program and schedule of the Conference) will be published later.*

Best regards.

The Council of the Conference.
